

Nucleus HQ
22 Thistle Street Lane North West
Edinburgh EH2 1BY

Phone: 0131 226 9800

Road: From the east or west you should follow signs for the city centre and then use the map below. Please note that cars are not permitted on Thistle Street Lane North West.

Rail: We are just a five minute walk (ten minutes in heels!) from Edinburgh's Waverley Station. Exit the station by the Waverley Steps, turning left after the climb! After 50 yards cross Princes Street and walk up South St Andrew Street (by the side of Carphone Warehouse) before continuing into St Andrew's square, turn left and walk along the south side of the square past 'Tiles' bar. Turn right at the corner and continue along the west side of the square. After about 200 meters you will reach George Street on your left hand side. Walk along George Street, crossing over Hanover Street and when you reach Frederick Street turn right down towards Fife. Take the first turning on your right on to Thistle Street. Walk along for about 50 meters and take the first turning on your left into Thistle Street Lane North West. Nucleus HQ is round the corner on the left hand side, number 22.

KEY:

-  Our Offices
-  By Road
-  By Foot (from Waverley Station)
